

TOWN OF HOPE MILLS

5770 ROCKFISH ROAD • HOPE MILLS, NORTH CAROLINA 28348-1848
TELEPHONE (910) 424-4555 • FAX (910) 424-4902

ADVISORY NOTICE

Homeowner/Resident,

Due to the potential for Hurricane Michael to affect North Carolina, the Town of Hope Mills has identified your area or home to be located in or near a possible flood area. Due to the potential for increased amounts of rain or flash flooding, we would like for you to be prepared. Please be aware of rising water and take steps to protect you and your family should it become necessary. Please be sure to secure any outdoor property that could be affected by heavy winds. Any watercraft should be removed from the water to prevent damage to property and the dam structure.

If you need to leave your residence, we recommend packing sufficient clothing, medicines, non-perishable foods and make arrangements for pets, if necessary.

Please monitor local news outlets for weather and storm related updates. Information on hurricane preparation can be found on the Town's website www.townofhopemills.com and Facebook. For shelter information, please refer to the Cumberland County website www.co.cumberland.nc.us.

Thank you,

Town of Hope Mills
