

THE TOWN

Founded in 1891, the Town of Hope Mills has a rich history and is home to some of the best schools in the state, not only in academics, but in extracurricular and athletic opportunities for all students as well. Our Youth programs are exemplary because of our Town's Parks & Recreation Department partnership with our county schools in sharing facilities and programs. Our rapid growth has brought new shopping areas, a state of the art theatre facility, restaurants and more. We thank you for interest in sponsoring events for the Town of Hope Mills and for helping our small Town thrive.
