

COUNTY of CUMBERLAND

Office of Solid Waste Management

July 13, 2011

NOTICE

All loads being disposed of at the Wilkes Road T&P Facility must be clean – **no plastic, garbage, paper, cardboard, etc.**

This facility is permitted for yard waste, land clearing debris, and wooden pallets ONLY. Other debris must be taken to the appropriate landfill for disposal or recycling.

Assistant Weighmasters at the scale house have been instructed to inform everyone about the requirements at this facility.

Equipment operators and ground personnel will be inspecting loads; if the load is dirty (contains unacceptable material) you will be notified and asked to clean it. If you choose to not clean the unacceptable material you will be fined \$100 for the first offense, \$300 for the second offense and \$500 for each additional offense.

To ensure this facility operates efficiently do your best to follow our requirements, as set by the State of North Carolina. We look forward to serving you in the future and appreciate your business.
