* Street sweeping operations will be conducted within the time frame indicated for the areas corresponding to the zones. The value of the advance notice will come from your cooperation to make this operation safe and beneficial so we can keep our Town clean and presentable while providing the best service. If the service cannot be completed due to inclement weather, or any other emergency, we will resume services based on available time or wait for the next scheduled time frame. Our Town has only one street sweeping machine, therefore our flexibility of operations will be limited to this schedule. Determined to serve!
