Item 2.

Closed Session minutes related to Lone Survivor and attorney client privilege e-mails which were redacted from a public records release were discussed.

Consensus was for Town Clerk, Jane Starling to make closed session minutes available for review at a different time than currently used to allow the Board more time to examine them. They do not wish to read them immediately before the meeting when they are to be approved. The Board also asked for corrections to be made to their June 11, 2018 closed session minutes.

Mayor Warner closed the session at 8:14 p.m.
